Re: HPV Chemical Challenge Program, Amendment of Commitment on CAS No. 768525

Dear Mr. Leavitt:

Crompton Corporation on 30 November and 22 December 1999, informed you that it was sponsoring CAS No. 768525 under the HPV Chemical Challenge Program as follows:

CAS Number	Chemical Name	Start Year
768525	Aniline, N-isopropy-	2003

Through this letter, we are informing you that Crompton Corporation will no longer sponsor CAS No. 768525 under the HPV Chemical Challenge Program. We are amending our commitment on this chemical because we have closed our facility where it was produced and we do not import it.

Crompton's commitment for the remaining CAS Nos. listed in our 30 November 1999 and 22 December 1999 letters to you remains intact.

Should you have any questions please do not hesitate to contact me directly at (203) 573-2219. My fax number is (203) 573-4531.

Sincerely yours,

Alan Taylor, Ph.D.
Director, Product Safety and Regulatory Affairs
Crompton Corporation
